LOVE YOUR COMMUNITY

Week number one is in the books and what a week it was!!! We set a camp attendance record on opening day when we welcomed 235 campers to the rec. The numbers remained high for the rest of the week. We would like to thank all the parents for your patience with drop off and pick-up as it does take time to check this many kids in and out. The double lane at drop off has sped things up. Now we gear up for week two which includes the beginning of our field trips and two special events. Please look closely at all the schedules and information that is provided in the newsletter. Details on trip sign-ups, departures, pick-up times and special event themes are provided in this weeks newsletter. We have a couple of reminders to help your child have the best experience they possibly can. Please make sure that they have their names on all items they need for camp. Water bottle, lunch box, sunscreen and T-shirts are the top items in the lost and found. Also, we discourage kids from bringing personal toys and items from home as they may be lost or taken. We are not responsible for those items. Week one has been a great success and we are looking to make week two even better!!!!!!

Message from the Director

Thank you to everyone for making week 1 run so smoothly. We thank you for being patient as we tweaked morning drop off and afternoon pick up. We seem to have traffic moving in and out very smoothly now.

I would like to personally thank our staff for doing a wonderful job in week 1. Over 1,000 visits in the first week is something we are very proud of. We look forward to many busy weeks moving forward. Have a wonderful weekend.
