WELCOME HOME

SUMMER PROGRAM

WEEK 5 NEWSLETTER

July 15th, 2022

Sponsored by

We have reached the midpoint of the 2022 Summer Program, and the Report Card is all A's!!!! Record numbers, fantastic weather and all kinds of exciting activities and field trips has been the recipe for a successful summer so far! Next week starts with our annual "Twin Day", on Monday, July 18th. Campers are encouraged to find a friend and dress as twins for a day. This has always been one of the most enjoyable events in the history of our summer program. As for our trips this week, we will be venturing into the State of Maine for two trips to the Maine Wildlife Park, in Gray, ME. and to the Ocean, in Scarborough, ME. All those trips will require campers to bring their lunches. The Ocean trip does have a snack bar but it is not designed for lunch foods. Also a quick note to parents, this year we have had a number of bus trip motion sicknesses. If your child may be effected by this please let us know and we can move them to the front of the bus to try and help out this situation. If we are aware we can make things better for all concerned.

Message from the Director

Today, July 15th is Parks and Recreation Professional's Day. I would like to recognize our full time staff. As I have transferred into the position of director I have been very lucky to have a wonderful staff here to support me. To Todd, Lynore, Robby and Zach, thank you for all you do!

Today is the half way point of summer. Thank you to all the parents & campers who have made the first half a success. I look forward to seeing great memories made in the second half of camp.

Michael Lane, Parks and Recreation Director

*****Attention Parents*****

I would like to take this opportunity to clarify our Early Drop off/Late pick up procedures. Unless you have registered for this program you must wait until 8:30 a.m. before you drop off and you must pick up before 4:15 p.m. If you feel you need this service you may register on line and join.

All those who are registered for Early Drop off and Late Pick up must remember that your child needs to be picked up no later than 5:00 p.m. Our staff members who need to stay for supervision may have other jobs that they need to go to. We ask that you respect their responsibilities to other positions.

If your child is still here after 5:00 p.m. they will be supervised but understand you may be charged an additional fee for this time. We are sorry that this has become something we need to address , but it is an issue none the less.
