FALL PROGRAM

WEEK 2

NEWSLETTER

Sept. 16th, 2022

After the first full week here at the Conway Rec., all Fall programs are underway and going strong. Biddy Soccer was at full capacity opening day and we look forward to the same turnout this Saturday. Cross Country opened with 17 kids and they are off and running (pun intended)! Intramural Soccer for 3rd and 4th grade had a turnout of 28 kids for the program. They will be divided into two teams (White & Black) for the upcoming season. Our 5th and 6th grade Soccer team will have 17 kids on this year's team. Field Hockey saw 18 girls sign-up and they have had three practices all ready and are looking like they are in mid season form. Flag Football has taken off with more than 40 kids participating. We have added a fourth team to the program this year, so with the addition of two Fryeburg teams we will have a six team league that will play both Tuesday and Thursday nights as the season rolls along. Travel Soccer has 14 participants and they will open their 8 game season next Monday with a road game at Jackson. The final Fall program that is taking place is our Pond Hockey program. That group hit the ice last Friday at the Ham Arena, with 42 skaters raring to go! Please remember to check our Website and Facebook page for daily schedules and updates as the season goes along.

Rec. Bus/Conway Elem Pick-Up Usage

Parents, this is a reminder that we offer pick-up from Conway Elementary School and a rec bus from Pine Tree School 4 days a week for afterschool programs. Your child may use this service if the program they are involved in is immediately after school. We do not have the staff to supervise your child should they be in a program later in the evening.

Drop Off and Pick-up

All drop offs and pick-ups will happen in the back parking lot by the Athletic fields located behind Conway Elementary. Thank you for following this guideline.

We also ask that you do not park in the Robert Frost School parking lot. There is plenty of parking out by the Conway Elementary playground. We also ask that you only park in marked parking spaces. Please do not create your own parking spots.

Thank you.
