

CONWAY REC

WELCOME HOME

FALL PROGRAM

WEEK 1

NEWSLETTER

Sept. 9th, 2022

Welcome to the Conway Parks and Recreation Departments Fall season. There is never a dull moment here at the Rec. and this Fall is no exception. We have lots of programs kicking off this week and with that comes lots of information about those programs. The programs that we are offering this Fall include, Cross Country Running, Field Hockey, Intramural, Bidy, and Travel Team soccer, Flag Football and Pond Hockey. This weekly newsletter will contain the next weeks schedule for all these programs. Once the seasons have started it will include results and standings for each program as well as team photos for each group. We will also try to include photos of the action that goes on here at the Rec. so you can see how much fun we are having. Please take the time to go through the entire newsletter as quite often we have additional information regarding policies and procedures for the running of these programs.

We are looking forward to a great Fall and we hope that you join us as often as you can! Thank you again for all the support that you give to the Conway Parks and Recreation Department... WE SO APPRECIATE IT!!!!!!

Rec. Bus/Conway Elem Pick-Up Usage

Parents, this is a reminder that we offer pick-up from Conway Elementary School and a rec bus from Pine Tree School 4 days a week for afterschool programs. Your child may use this service if the program they are involved in is immediately after school. We do not have the staff to supervise your child should they be in a program later in the evening.

Drop Off and Pick-up

All drop offs and pick-ups will happen in the back parking lot by the Athletic fields located behind Conway Elementary. Thank you for following this guideline.

We also ask that you **do not** park in the Robert Frost School parking lot. There is plenty of parking out by the Conway Elementary playground. We also ask that you only park in marked parking spaces. Please do not create your own parking spots.

Thank you.

T-Shirts and uniforms are always a big part of the Conway Rec. Dept. programs. We fully intend to have shirts and uniforms for all our kids this Fall. However, at this time our printer is experiencing a back log in ordering so our delivery may be a few days behind. We would like to thank you in advance for understanding this situation.
