

CONWAY REC

WELCOME HOME

FALL PROGRAM NEWSLETTER #5

Oct. 4th 2024

The month of October is here and with it comes the Fryeburg Fair, colorful leaves and cooler weather. None of that slows down the Conway Parks and Recreation Department!

We may have finished our Cross Country program this past Monday, but everything else is going strong and starting to hit the home stretch.

Due to Michael & Todd being away at the National Parks and Rec.

Conference next week, we are making sure that this weeks newsletter contains the schedule for the next two weeks. While they are away, Robby, Meghan and Lynore will hold down the fort and continue with all the programs we have going on. That includes our 3-6 grade Soccer programs that will have a full schedule of games over the next two weeks. Flag Football will pick up where the schedule left off and the postponed games will be made up at the end of the season. Biddy Soccer will be back on Saturdays. Field Hockey starts it's run to the end of the season with five scheduled games and then the Carroll County Jamboree to finish up the season. Our newest program, Biddy Field Hockey will have it's final day next Tuesday as they end a great first year with certificates and medal presentations. We can't thank Aly McAllister and her host of helpers enough for making this program such a success.

FIELD HOCKEY PARENTS!!!

In an attempt to make life easier for the kids and yourselves, the Conway Parks and Recreation Department is able to offer a bus to take the team to all our away games. We do this so that we can make sure that all the girls arrive on time for the event. This also allows parents to not have to be there earlier than the scheduled game time as we know people are very busy. We hope this can help in this situation.

Of course at the end of the game parents may take their child home as the return trip is offered but never required.

Carroll County Field Hockey Jamboree

Valley Cup Soccer Tournament

Tournament Updates

Every year the Conway Parks and Recreation Department participates in local hosted sports tournaments as well as the Carroll County sponsored tournaments.

This year is no exception.

Our Intramural soccer teams will participate in the Valley Cup, which will take place on Saturday, October 19th right here at the Kennett Middle School fields. We will have a Grade 3-4 team and a Grade 5-6 team in this event.

Then on Saturday, November 2nd we will have a Grade 5-6 team participate in the Carroll County Tournament to be held in Moultonborough.

The details of these events will be available in the next week. That information will include times and opponents.

The Intramural Field Hockey team will participate in the Carroll County Jamboree to be held on Saturday, October 19th, in Wolfeboro, NH. This event will be for our Grade 5-6 players.

We will provide a bus on this day and it will leave at 7:45 a.m.

Conway will play the first game at 9:15 a.m.

and play again at 11:00 a.m.
