Spring PROGRAM

WEEK 2

NEWSLETTER

April 21st, 2023

The fields are open and practices are underway! The Girls 4-6 grade teams have been divide up and we are in full practice mode. The Chalmers and J.D. Tool squads are getting lots of field time earlier than we did last year. They will continue to practice through the vacation week so we ask that you pay close attention to your emails and text messages to keep, up to the minute, scheduling info. The 2-3 Rookie teams are also divided up and getting ready to open their season in the beginning of May. We are looking for another coach if you are at all interested.

We are proud to announce the return of our Track & Field program. This is open to boys and girls in grades 3-6 and will meet once a week on Tuesdays starting May 2nd.

K-1 T-Ball is ready to start on Saturday, May 6th. We have three sessions and they will run every Saturday until June 3rd. The weather has been in our favor so keep the good thoughts of sunshine and warm temps!!!!!!

Whenever we start a new season we are always on the look out for volunteer help in the coaching ranks. While we have filled a number of our spots this season we can always use more help. If you are at all interested in helping please contact Todd and he will get you started. We do ask that all our volunteers fill out a background check (which the Town pays for) and that is for the safety of all your children involved.

Attention Parents!!!!

Please make a point of following the parking guidelines that the Rec. Dept. has in place. It is recommended that you always park in the back parking lot behind Conway Elementary where the playground is. For practices and games. We ask that in that lot you do not pull your vehicle near the dumpsters.

After the hours of 4:00 p.m. you may also park in the new Recreation lot on the right hand side as you enter the campus.

At no time will parking be allowed in the Robert Frost School lot by the ball field!!! It does not matter the time of day, it is off limits.

Thank you for helping us keep this great working relationship we have with them.

Thank You
