WELCOME HOME

Spring PROGRAM

WEEK 6

NEWSLETTER

May, 19th 2023

Believe it or not, we are heading down the home stretch of our Spring programs! The weather has been in our favor so we are back on track with scheduling. Track and Field is getting ready for the Granite State Games that will be held on June, 17th. We will be getting those who are interested in participating signed up for that event. We hope that all those involved now will be interested in participating. You can get more information about this from Robby Moody.

Tee Ball is still going strong with great turnouts on Saturday mornings. A reminder that this program runs until June 3rd. A friendly reminder that there is no parking in the Charter School Parking lot (there is a festival this weekend). Please be respectful to this request.

Grade 2-3 Rookie softball has seen the Conway Teams be victorious in all 5 games they have played. The Black team is 2-0 and the White team is 3-0. Keep an eye on these girls as they move up through the programs in the future!

The 4-6 grade softball program is entering the final week of regular season games and gearing up for the playoffs. The J.D. Tool squad is in the middle of the pack while the very young Chalmers team is looking to break into the win column in the next few games. The excitement during this season has been at an all-time high, and I am sure that it will continue through out the playoffs as well.

Attention Parents!!!!

Please make a point of following the parking guidelines that the Rec. Dept. has in place. It is recommended that you always park in the back parking lot behind Conway Elementary where the playground is, for practices and games. We ask that in that lot you do not pull your vehicle near the dumpsters.

After the hours of 4:00 p.m. you may also park in the new Recreation lot on the right hand side as you enter the campus.

At no time will parking be allowed in the Robert Frost School lot by the ball field!!! It does not matter the time of day, it is off limits.

Thank you for helping us keep this great working relationship we have with them.

Thank You
