## WINTER PROGRAM

### WEEK 10

## NEWSLETTER

### Jan. 27th, 2023

Mother Nature finally gave us a break and allowed the Girls 4-6 Grade Intramural Basketball program to get underway. Open night action saw the Aggies win both games they played; defeating the Huskies in the opener and then holding off the Lady Vols in the second game. All postponed games have been rescheduled so please check your updated schedules. On the Boys side the Cardinals are off to a 3-0 start. The Tar Heels are currently second at 1-1. The Spartans have yet to break into the win column but the season is young. In the grade 2-3 Coed league, the action was once again hot and heavy as the Minutemen notched their second win of the season and lead the field. Both the Catamounts and Black Bears are 1-1, tied for second place. The Wildcats lost a heartbreaker to the Minuteman by a score of 12-11, so they will be looking to get their first win next week. Biddy Basketball is still going strong as it transitions to focus on ball movement and passing for the third week of the program this Saturday .

The Chip Kennett Teen Center will continue to have the concession stand open on Wed., Thur. and Fri. for your enjoyment during the Intramural games. Popcorn, Hotdogs, Nachos, Candy, Chips and Slushies will be available during the games.

The Conway Parks & Recreation Department will continue to run a Rec. bus from Pine Tree School each day that we have a program. We also will walk the kids from Conway Elementary over each day as well. If your child is scheduled to play the later time on any day, they may still ride the Rec. bus or walk over after school. However, they will be expected to remain in the gym until their scheduled time arrives.

#### Philosophy of Rec. Basketball

Although we are playing games and keeping score, it is the intent of the Rec. Dept. to make this experience as fun as possible. Remember, positive and supportive comments are expected from our fans. We thank you in advance!!!

#### Gym Rules for the Winter

Parents, this is a reminder that with Winter comes wet conditions and those conditions get tracked into the building. Please help us by making sure your child has a different pair of shoes for use on the court. They will not be allowed to participate in boots, they can bring their sneakers to change into.

# Intramural Basketball Program 2023

## Notes and Updates

This is a quick note to the 2-3 Coed Intramural program participants. We remind you that on Tuesdays Conway Elementary has it's ski day. That means students may be back a little later than normal. We will try to stay on schedule as much as possible, however we may start a few minutes later than scheduled. We apologize in advance for any inconvenience this may cause. We will do our best to stay on schedule.

Just a reminder to check the revised Boys and Girls 4-6 Intramural Basketball schedules for the make-up dates. On the girls side we have added an extra games on for dates to make up for the postponed games. Please check your schedule carefully.

Parents, please remind your child that it is important for them to have their game jerseys!

IF YOU LOOK GOOD, YOU PLAY GOOD!!!
