WINTER PROGRAM

WEEK 9

NEWSLETTER

Jan. 20th, 2023

This week marks the beginning of all our Winter Programs. Last Saturday the Biddy Basketball program tipped off with three sessions of skills and drills. Our first two groups had the full 12 person limit and our third session has just six participants. No matter what the numbers, a good time was had by all. The hit of the week was the first day of games at the 2-3 Coed level. The Black Bears defeated the Wildcats in the season opener and the Minutemen defeated the Catamounts in the second game. The games were exciting and the skill level was very impressive for the first game of the season. Wednesday saw the first games of the Boys 4-6 grade program. The Cardinals, who played twice, won both games by defeating the Spartans in the first game and the Tar Heels in the second game. Due to bad weather last week the opening of the Girls 4-6 grade games has been pushed back a week so that they may have an extra practice this week.

Next week the Chip Kennett Teen Center will be opening the concession stand on Wed., Thur. and Fri. for your enjoyment during the Intramural games. Popcorn, Hotdogs, Nachos, Candy, Chips and Slushies will be available during the games.

The Conway Parks & Recreation Department will continue to run a Rec. bus from Pine Tree School each day that we have a program. We also will walk the kids from Conway Elementary over each day as well. If your child is scheduled to play the later time on any day, they may still ride the Rec. bus or walk over after school. However, they will be expected to remain in the gym until their scheduled time arrives.

Philosophy of Rec. Basketball

Although we are playing games and keeping score, it is the intent of the Rec. Dept. to make this experience as fun as possible. Remember, positive and supportive comments are expected from our fans. We thank you in advance!!!

Gym Rules for the Winter

Parents, this is a reminder that with Winter comes wet conditions and those conditions get tracked into the building. Please help us by making sure your child has a different pair of shoes for use on the court. They will not be allowed to participate in boots, they can bring their sneakers to change into.

Intramural Basketball Program 2023

Notes and Updates

This is a quick note to the 2-3 Coed Intramural program participants. We remind you that on Tuesdays Conway Elementary has it's ski day. That means students may be back a little later than normal. We will try to stay on schedule as much as possible, however we may start a few minutes later than scheduled. We apologize in advance for any inconvenience this may cause. We will do our best to stay on schedule.

Due to weather sometimes being a factor, should you child's games be postponed on a particular day, we just continue with the next games on the schedule and any made up games will happen at the end of the season.
