## Basketball Skills & Drills (5-6 Grade)

Thank you for choosing to have your child participate in the Conway Parks and Recreation Department Basketball Skills & Drills Program for November and December of 2020. We are thrilled to be offering in person programming. In order to keep your child safe, we will be following the Covid-19 reopening guidance from the Governor's Economic Reopening Taskforce, Safer at Home Amateur & Youth Sports (updated August 8<sup>th</sup>, 2020). You can find a link to the entire document by clicking below.

<https://www.covidguidance.nh.gov/sites/g/files/ehbemt381/files/inline-documents/2020-05/guidance-amateur-youth-sports.pdf>

**Arrival:** Participants should arrive to the Conway Parks and Recreation Department building 5 minutes prior to their scheduled time. If you arrive earlier than this, please wait in your vehicle until your designated time. Please do not use the SAU 9 visitor parking spaces. Please enter the Conway Parks and Recreation Department building and proceed to the front desk for screening. You will be asked the following questions followed by a temperature check.

1: Has your child had any symptoms of COVID-19 (see Universal Guidelines for list of potential symptoms) or fever of 100.4 degrees F or higher.

2: Has your child had any close contact with someone who is suspected or confirmed to have had COVID-19 in the past 14 days. (NOTE: Healthcare workers caring for COVID-19 patients while wearing appropriate personal protective equipment should answer "no" to this question)

3: Has your child traveled in the past 14 days outside of New Hampshire, Maine or Vermont.

*\*Upon arrival you may say "No to all" to the staff member screening. If the answer to any of the above questions is yes, please do not allow your child to attend.*

Different from the fall programs and due to the fact that we are inside, masks/face coverings are required at all times for participants and family members while inside the building, no exceptions.

**Participation:** Comfortable clothing is encouraged for this program. Sneakers are required, no boots or other footwear are allowed on the Marshall Gymnasium floor. There will be multiple hand sanitizing stations, however we do recommend each participant has their own as well.

This group is limited to 15 participants. Conway Rec staff go through the same screening process as participants each week.

Participants should bring their own water bottle filled, we will not be supplying water.

In an attempt to social distance and keep capacity in the Marshall Gymnasium to as low a number as possible we ask that just one parent attend each week and no siblings. If due to child care issues this is not possible siblings are allowed to attend but should sit in designated seats with parents.

**Conclusion:** At the conclusion of each session we ask that you depart the Conway Parks and Recreation Department immediately following signage on the floor. This will help control crowds and keep participants from different groups from having contact. In addition, it allows us to sanitize all equipment before the next session.

We thank you in advance for following all the above rules and guidelines. Your child's safety is our number one priority. We look forward to working with them this fall.
