2021 Softball League Rules*

1. League will use 12 inch ball
2. Pitching distance is 40 ft.
3. 10 Players on the field. All players in uniform must hit in the order. In case of an injury, that player is eliminated from the order. If a player has to leave for any other reason it is an out each time through the order.
4. Teams must have at least (7) players to start a game. (Players may be added to the bottom of the line-up if they arrive late.
5. Stealing will be allowed. Runners may not leave the base until the ball has crossed home plate. There will be no delayed stealing (Leaving while the ball is traveling back to the pitcher).
6. Runners may lead once the ball crosses home plate.
7. Each inning will consist of 3 outs or (4) runs, whichever comes first. (Exception) The 6th inning will be unlimited runs for both teams.) The unlimited runs rule can only happen in the 6th inning.
8. Time limit on games. The time limit is marked by the scheduled game time, not the start of the game.
Time Limit: Single Game 1 hour 30 minutes
Time Limit: Double headers or Triple headers is 1 hour 15 minutes
Time Limit: Play-Off games 1 hour 30 minutes
9. No infield fly rule.
10. All over throws are live unless they go out of play. If out of play, two bases. (This is book Rule.)
11. No dropped third strike.
12. An official game will consist of 3 ½ innings.
13. Home team supplies game ball.
14. If a game is called because of rain, 3 ½ innings must be complete. (If the home team is ahead) and 4 innings must be completed (if the visitors are ahead) for the game to be official. If the game is not completed it must be made up from the beginning.
15. All other rules will follow the ASA 2021 rule book.
16. One minute is allowed between innings. In this time pitchers are allowed 3 warm-up pitches (5 if new to the game). If catcher is not ready, coaches are responsible for warming up the pitcher. No team meetings before taking the field each inning.
17. Pitchers and corner infielders must wear a mask. The Conway Parks & Recreation Department strongly recommends that short stops and 2nd baseman also wear masks, however it is not mandatory.
18. 12 run rule after 3 ½ innings & 10 run rule in affect after 4 ½ innings.
19. Following NHIAA & MPA Rules, all players will be required to wear a mask/face covering while on the field and in the dugout/bench area.

*Umpires will call balls and strikes from behind the pitcher this year to avoid close contact with the batter and catcher.
