

FALL PROGRAM NEWSLETTER #2

Sept. 12th 2025
#RECCandROLL

We have completed the first full week of fall programs, so that means we are fully underway! Last night, (Thursday, Sept. 11th) the Flag Football program had its first practice. All the participants were there, teams assignments were handed out, and we have a full squad of coaches!!! As is with our other programs, we will have a few practices next week and the games will begin.

Biddy Soccer will continue this Saturday. The numbers are fantastic for both sessions. This introductory program has continued to build throughout the years as we service nearly 60 participants this fall. The Girls Field Hockey program opened up last Monday as both the 3-4 graders and the 5-6 graders began their practices. This year we have had even more girls signed up than ever before. After a few more practices they will start the games schedule in a couple of weeks. Biddy Field Hockey has grown in it's second year of existence with our number reaching 28 registrants. This program is designed to introduce these young ladies to the sport to build their interest for years to come. Tuesday saw the grade 3-6 Intramural Soccer program kick off with 27 kids involved. This group will begin games next Tuesday as we will play in house with this program. Wednesday saw the first day of Cross Country running and the kids took to the trails immediately on the first day. Each week they will be working to improve their personal times around the course. The first day of Pond Hockey had 33 kids taking the ice!! This continues to be one of our most popular programs as it's laid back approach allows kids to get a taste of being on the ice and learning the skills it takes to continue on in this sport.

ATTENTION PARENTS

The Conway Parks and Recreation Department would like to remind parents that the parking lot at the Robert Frost Charter School is off limits for use during Conway Rec. Dept. programs. This includes after school events, practices, evening programs, and weekend activities that are sponsored by Conway Rec. We have plenty of on-site parking for these events. The first lot on the right as you enter the Conway Rec. campus and the entire lot behind Conway Elementary School by the playground is for our use.
