## Spring PROGRAM

### WEEK 3

## NEWSLETTER

### April 28th, 2023

Welcome to the Spring Newsletter, week #3. All our programs will be starting next week and we are very excited! Tuesday, May 2nd will be the first day of Track and Field. That program will start at 3:45 p.m. Rookie softball and Girls 4-6 softball will also start games next week. There will be a schedule update for both these programs later in the newsletter. Our K-1 T-Ball program will kick off on Saturday, May 6th with three sessions.

We are excited to be outside, however Mother Nature did not cooperate during vacation and we had to postpone a number of practices so in turn we are a little behind in our team organization. We will make all the efforts that we can to give our kids a chance to practice before their first games. I would like to thank out volunteer coaches and helpers for all the work they have put in thus far this Spring. We could not do any of this with out them.

Due to the rain during vacation week, we were forced to cancel a number of practices. Because of this the Girls 4-6 grade softball teams were not able to have full team practices. With that in mind, we are going to take the scheduled game for Monday, May 1st between our Chalmers and J.D. Tool teams and make it a scrimmage game that will not count in the standings. It will be the first time that each team should have all their players. The girls will be asked to wear their uniforms as if it were a regular game, but it will be a more controlled atmosphere. The actual game will be made up at a later date to be determined. The schedule will pick up the next night with Chalmers playing it's first game against Fryeburg. We hope that this makes for a better transition into the first game.

## Attention Parents!!!!

Please make a point of following the parking guidelines that the Rec. Dept. has in place. It is recommended that you always park in the back parking lot behind Conway Elementary where the playground is. For practices and games. We ask that in that lot you do not pull your vehicle near the dumpsters.

After the hours of 4:00 p.m. you may also park in the new Recreation lot on the right hand side as you enter the campus.

At no time will parking be allowed in the Robert Frost School lot by the ball field!!! It does not matter the time of day, it is off limits.

Thank you for helping us keep this great working relationship we have with them.

*Thank You*
