WELCOME HOME

Spring PROGRAM

WEEK 4

NEWSLETTER

May, 5th 2023

Well we survived the wet and rainy week. There were a number of postponements but we are back on track and should catch up next week. Even with the rain we were able to have the first day of the Track and Field program last Tuesday. We hope that on Tuesday the 9th we will be outside and with a full slate of events. T Ball kicks off Saturday with all three sessions getting underway. The first group is at 9:15 a.m., and then group two is at 10:15 a.m. and the final group is at 11:15 a.m. Each kid will get their t-shirt at the first practice. Rookie softball has not been able to get underway yet due to the weather and staffing for running the games. It will get underway next week so just follow the schedule on the weekly event page. Grade 4-6 softball did get some games in at the end of this week. The J.D. Tool team lost it's opener to Fryeburg's Team USA by a score of 6-2. The Chalmers squad fell to Brownfield/Denmark in a slugfest by a score of 19-12. We did fall behind when the first two nights were canceled so we will also make those games up in the next week. We thank you for your understanding in these scheduling nightmares. So with all that being said, we see the sun again and we are looking forward to a great next week!!!

Attention Parents!!!!

Please make a point of following the parking guidelines that the Rec. Dept. has in place. It is recommended that you always park in the back parking lot behind Conway Elementary where the playground is. For practices and games. We ask that in that lot you do not pull your vehicle near the dumpsters.

After the hours of 4:00 p.m. you may also park in the new Recreation lot on the right hand side as you enter the campus.

At no time will parking be allowed in the Robert Frost School lot by the ball field!!! It does not matter the time of day, it is off limits.

Thank you for helping us keep this great working relationship we have with them.

Thank You
