WELCOME HOME

Spring PROGRAM

WEEK 5

NEWSLETTER

May, 12th 2023

What a great week we just had. The weather was fantastic, all the programs went off without a hitch, and there were smiles on everyone's faces as the games began. We kicked off the week of programs with last Saturday's opening day of T-Ball. All three sessions were packed and the fun has just begun! Three more sessions this Saturday as the program moves forward into the Spring season. Track and Field had it's second session on Tuesday and the numbers continue to shine. Sixteen kids turned out to work on relay race baton passing, softball throw and running events. We hope this continued enthusiasm leads many of them to participate in the Granite State Track Meet in mid June. Our grade 2-3 Rookie Softball got it's first games in this past Wednesday with both of our Conway teams taking on the Fryeburg squads. The Black team fell to Fryeburg #1 by a score of 14-10 and the White team was defeated by the other Fryeburg squad by a score of 13-11. Both teams are back in action on Monday and Wednesday of next week. Check the schedule on page 2 for times and opponents. Our 4-6 grade program debuted on Monday and was a huge success. The format this year uses a pitching machine to keep the flow of the game going and the players in-

volved and attentive. We saw more players putting the ball in play and more fielding plays being made. Also, more innings being completed and the games being played to the full completion of 6 innings. Without a doubt, this is one of the best adjustments to a program we have ever made!!!!

Once again, we are proud to thank our sponsors for the Girls 4-6 grade Softball season. J.D. Tool and Chalmers Insurance are back on board to support these ladies through this season.

Attention Parents!!!!

Please make a point of following the parking guidelines that the Rec. Dept. has in place. It is recommended that you always park in the back parking lot behind Conway Elementary where the playground is, for practices and games. We ask that in that lot you do not pull your vehicle near the dumpsters.

After the hours of 4:00 p.m. you may also park in the new Recreation lot on the right hand side as you enter the campus.

At no time will parking be allowed in the Robert Frost School lot by the ball field!!! It does not matter the time of day, it is off limits.

Thank you for helping us keep this great working relationship we have with them.

Thank You
