WELCOME HOME

Spring PROGRAM

WEEK 8

NEWSLETTER

June, 2nd 2023

The Spring programs will start to finish up this week here at the Conway Parks & Recreation Department. Our Girls 4-6 softball program had a full week of playoffs and the finals are slated for this Saturday, at 10:00a.m. The game will take place at the Fryeburg Field of Dreams complex. This years the finals will have the two Fryeburg Teams doing battle. Team USA, who was the number two seed will take on L.E. Auto Body who were the number one seed. We wish both teams good luck in the final game.

Our 2-3 Rookie teams are still having success on the field but have still yet to play each other as mother nature has not been kind when it comes letting us get this game in. We hope that between now and the 10th of June, we can get those games in. The girls have increased their skills each time they step on the field and that is exactly what this program is all about!

Tee Ball will be coming to an end this Saturday. The final three sessions will take place at the regular scheduled times. On the final day there will be a number of season ending procedures to go through. On the final day, there will be a full game for the teams, they will get their certificates and medals. Then the session will end with the annual popsicle feast. Come join us for this final day.

Last but not least, the Track & Field program is making it's way toward s it first meet which will be June 13th at 5:00p..m. at the Fryeburg Academy track complex. Then registrations will be open for the Granite State track meet which will be on Saturday, June 17th.

Attention Tee Ball Parents!!!!

There is a possibility of rain showers this Saturday morning (June 3rd). We are planning on powering through the showers as we do not want to lose the final day. Please dress appropriately in case there are showers.

It is very important for us to make sure all participants get their awards and treats tomorrow. As always, it has been a great program with lots of fun. We want to thank all the parents and participants for a great season.

Check our Facebook page for updates if the weather is worse then predicted.

Attention 5th and 6th grade softball players!!!

The Conway Parks & Recreation Department will be offering an extended softball season for any 5th and 6th grade girls who would like to play games with live pitching. The games will be on Tuesday nights starting on June 13th. We will play once a week for the next four weeks and we will practice on Thursday nights as well. If you are interested please attend the tryouts on Thursday, June 8th at 4:30 p.m.

We will be playing against the Fryeburg team and games will be played here at the Conway Rec. and also in Fryeburg at the field of dreams. There will be a \$15.00 registration fee once the team is formed.

The players on the team will wear the current uniform that they have from the past season. As we stated, this is an additional chance to play more games but we ask that if you are interested and commit to playing that you attend the games and practices so that we are not left short handed. Mike and Todd look forward to the chance to coach you ladies so we can get back into the fun as well.
