

SPRING PROGRAM

NEWSLETTER #2

May 9th, 2025

#REcandROLL

CONWAY REC

WELCOME HOME

This week's newsletter will remind us that Mother Nature is still in control of what happens. This past week we lost opening night of Track and Field, a Rookie practice and our Grade 6 game with Fryeburg scheduled for tonight, May 9th. But to get out ahead of the weather we have made the call to hold the second week of T-Ball in the Marshall Gymnasium on Saturday, May 10th. Session one will be at 9:30 a.m. and session two at 10:30 a.m. We are in hopes of having the first night of Track and Field on Tuesday, May 13th at 5:15 p.m. at Kennett High School. Lets keep our fingers crossed. We were able to get last weeks Rookie game in on Monday as the Friends of Conway Rec. defeated Lovell in that contest. At the 6th grade level, the J.D. Tools team split their two games with L.E. Auto Body and Madison while Chalmers came out on the short end against the USA team from Fryeburg. Check the schedule for next weeks games and times on page 2.

While Summer Early-bird registration has come to a close as of Friday, May 9th, you can still register for the summer program. Don't delay in getting signed up. It will be here before you know it.

As mentioned earlier, the weather is starting to play a role in our programs. It is our intentions to notify everybody by 1:30 p.m. on the day of an event if there is a scheduling update. We will contact the schools, send email and text blasts to all players and coaches and post on our social media sites. Please check these avenues if you have questions on an events status.

Friends of Conway Rec. vs Madison @ Madison

Friday, May 16th

No programs

Attention All Parents!

The following is some helpful reminders and policies that we have in place at the Rec. Dept. to make this Spring season a successful one.

Please note that we post daily on our Facebook page the schedule for events on that day. We also send out emails and text messages with reminders, so please check those forms of communication as well. Should we have to cancel due to weather, we will post and then contact the schools if it is a weekday event. We try to make the call by 1:30 p.m. so we can notify people. On the weekends you will need to look for updates on our Facebook page.

All the uniforms that were distributed to the players are required to be returned at the end of the season. These were purchased with sponsorship money and we do not replace. Items that need to be returned are jerseys, pants and belts. You keep the socks and visors.

When attending an event at the Conway Recreation Department please **DO NOT PARK** in the Robert Frost parking lot near the field. We have a lot of our own and also spots behind the Mountainside school near the playground. Thank you for your cooperation in that matter.

We remind everyone again that these are kids and these are games. Sportsmanship is a priority and expected. While we keep score, the goal is never about winning and losing. That is a portion of the overall goal that we set forth for our kids. We teach it, we don't stress it.
