#RECandROLL

CONWAY REC

WELCOME HOME

We have reached the mid point of the Spring season and we are now headed down the other side of the mountain.

Mother Nature has not been very cooperative in the last week or so. Our T-Ball program has been forced inside the last two weeks and it looks like we are headed that way again tomorrow. Due to the predicted weather we will just have both sessions meet in the Marshall Gym. With that being said, please have your child wear sneakers not cleats for the indoor practice. On the Rookie side of things the Friends of Conway Rec. team were able to play last Tuesday night against a strong Bridgton team. Unfortunately the rain took away Fridays practice but I am quite confident they will be ready to do battle with Madison on Tuesday evening. They will also add an additional practice on Friday the 30th at 3:30 p.m.

The grade 4-6 softball teams were able to make up Monday night's rainouts on Wednesday night. Both have seen great improvement in the field as well as at the plate. Tonight's Chalmers game with Madison did not have a result at the time of this printing. There will be an update in next week's newsletter. Both teams return to action next Thursday with games against Fryeburg.

Track and Field will continue on Tuesday nights as we gear up for a late season meet with Lovell and qualifying for the Granite State Meet in mid June. That meet is always a great time and we hope to get as many kids as possible to compete.

Grade 4-6 softball game

5:30 p.m. Chalmers vs Berlin @ Conway

Attention All Parents!

The following is some helpful reminders and policies that we have in place at the Rec. Dept. to make this Spring season a successful one.

Please note that we post daily on our Facebook page the schedule for events on that day. We also send out emails and text messages with reminders, so please check those forms of communication as well. Should we have to cancel due to weather, we will post and then contact the schools if it is a weekday event. We try to make the call by 1:30 p.m. so we can notify people. On the weekends you will need to look for updates on our Facebook page.

All the uniforms that were distributed to the players are required to be returned at the end of the season. These were purchased with sponsorship money and we do not replace. Items that need to be returned are jerseys, pants and belts. You keep the socks and visors.

When attending an event at the Conway Recreation Department please **DO NOT PARK** in the Robert Frost parking lot near the field. We have a lot of our own and also spots behind the Mountainside school near the playground. Thank you for your cooperation in that matter.

We remind everyone again that these are kids and these are games. Sportsmanship is a priority and expected. While we keep score, the goal is never about winning and losing. That is a portion of the overall goal that we set forth for our kids. We teach it, we don't stress it.
