#REcandROLL

CONWAY REC

WELCOME HOME

As we finish up the month of May, we are entering the final week of our softball and T-Ball programs. The grade 4-6 softball program has shown steady and impressive improvement from the start of the season. The Chalmers and J.D.Tool teams have continued to get better each week. Participation numbers have stayed high, and the skill level has consistently improved. The addition of Madison and Berlin to the schedule has given the girls more opportunities to play this spring. The Conway Rec. Dept would like to thank Tim Fitsimmons, Becca Fecteau and John Elliott for their efforts in coaching these girls this year. We could not do it without you! Check the schedule for next week's final game times. Our Rookie softball program still has three remaining games. We have 18 girls in this program and the future is looking bright for the growth of softball in the Valley.

The T-Ball program, which has suffered through poor weather each Saturday, may be faced with the same dilemma tomorrow (May 31st). We have put in a good word with the powers that be and have requested that on the final day, June 7th, we have great weather to wrap-up the T-Ball season.

That brings us to Track and Field, where we will host the first meet of the Spring next Tuesday at Kennett High School with the Town of Lovell. This will be a great tune up for the Granite State games on Saturday, June 14th. We are looking forward to a great turnout for that event and hope a few kids bring home some medals for the Conway Rec.

Uniform Return

Parents, please remember after your child's last scheduled Spring game, we will be gearing up for our Summer Program. We ask you to please return the uniforms so we are not chasing them all summer. You can drop them off at the main office anytime prior to the start of Summer Camp.
