SUMMER PROGRAM NEWSLETTER #2

#RECandROLL

Sponsored by:

Summer program opened it's doors this past Wednesday to 181 campers on day one!! The parents brought the kids and Mother Nature brought the heat!! Golly it was a warm first couple of days and it sure set the tone for a great Summer to come. The kids seemed excited to be here and I know the staff was ready to put all the training they received last week into action. We were onsite the first three days and the kids started to pick up on the routine quickly. Next week we will take our first field trips with each group. There will be more info on sign-ups and trip protocols later in this newsletter.

Parents, we are finding that it is more and more difficult for us to maintain a smooth afternoon coverage when we have multiple early pick-ups. We understand appointments and such, but if there is anyway possible to wait until our scheduled pick-up time to get your child it would make our lives so much easier. Thank you for understanding with this request. Let's keep the good weather thoughts going and the fun will follow!!!
