

CONWAY REC

WELCOME HOME

SUMMER PROGRAM NEWSLETTER #5

July 18th 2025
#RECandROLL

SENNÉ

We have passed the halfway point of summer camp and we are headed down the home stretch. This past week we celebrated twin day on Friday and had three great days of field trips. The Maine Wildlife Park was a fun filled event this year. Then our first time at Ft. Williams in Cape Elizabeth, ME, turned out to be one of our best trips ever. We had a camp wide scavenger hunt on the property and the kids were psyched to partake in the fun. Then the ocean trip for our older pods was another huge success! We finished the week with Tie Dye on Friday.

Please pay strict attention to the trip schedule for this coming week. Due to bus availability and pre-purchased tickets, the trips are limited to a specific number. We will not take day of trip sign-ups. You must register prior to the day of the trip. This will apply to Tuesday and Wednesday's trips to Clarks Trading Post and the Fisher Cats baseball game. There are details on each trip in the following pages. Thursday night will be our annual Family Fun Festival here at the Rec. It is our way of showing the families what a day at summer camp is like!

Trip Notes for Week #5

Tuesday, July 22nd **Clarks Trading Post**

Due to bus availability, we must limit the total number of campers to 50 for this trip. YOU MUST PRE-REGISTER for this trip. We will not take day of sign-ups !!! We are sorry for this, however it is unavoidable. We thank you in advance for your cooperation.

Wednesday, July 23rd **NH Fisher Cast Baseball Game**

Due to having to purchase tickets for this event months ago, our camper limit is set at 60 participants. Once again, YOU MUST PRE-REGISTER for this trip. No sign-ups day of. Also, for this one day, the Fisher Cats allow cash at the concession stands. No food or drink may be brought into the stadium. Your child may bring a lunch, however, it must be eaten on the bus. Staff will assist the campers in the stadium when it comes to purchasing food and beverage.

Thursday, July 24th **Hilltop Fun Center**

We encourage campers to bring their own lunches on this trip, however there is a full concession stand at this venue. Also, your child may bring addition funds for tokens that are not covered in our registration cost.

Thursday, July 24th **Family Fun Festival**

Please join us for an evening of fun, food, and festivities here at the Rec. Dept. as we give the entire family a day at camp experience. We will be serving hot dogs, hamburgers, popcorn, and cotton candy to everyone. We will then have stations of activities for parents to join their campers and become a camper for the evening. This event goes from 5:30-7:00 p.m.

Drop-off and Pick-up Procedures.

This summer, due to on campus construction, drop-off will be a little different. You will now enter at the Mountainside/SAU 9 office entrance and proceed by the elementary school and loop around the propane tanks at the end of the parking lot. Mike and Todd will do daily check in at the Football Tower area each day. Once checked in you will proceed to the side entrance to drop your child off. (Same spot as last year). Please be aware that this is still a two way road and cars will be entering as well. **We recommend, if at all possible, that your child or children exit your car on the passenger side next to the sidewalk!!!** Obviously, to try and keep the entering lane clear.

Pick-up will be the same as last year, you will proceed out behind the Mountainside school where you will meet a staff member who will call for your child. Please stop and ask for your child so that we may learn names and faces of whom is getting picked up. Then you continue along the playground fence down to where your child will be dismissed off the playground. Please stay in your vehicle so that we can expedite this process. Our staff will be more than happy to help your child into the car. You will then circle the parking lot and exit at the same spot where you dropped off.

Please make every attempt to pick-up your child during the dismissal time slot. We do understand that there will be exceptions such as appointments etc. If you pick up prior to dismissal time, please contact the office. This should be done at least fifteen minutes prior to when you are picking up your child. Thank you for your understanding in this matter.

On trip days, we will post the time of return on our social media pages. If you arrive before the trip has returned, please park in the lot and once the bus has returned. Please stay in your car, and we will bring your child to you.

As it happens every year, our lost and found pile grows by the day. After the first week we may spread those items out in the parking lot so please take a look after you have picked up your child. **Please label everything they bring to camp. Shirts, towels, lunch boxes, and especially water bottles and sun screen bottles.**

We thank you in advance for your cooperation with these procedures.

Trip Policies/Day Camp Policies

Dear Parents, as stated in the camper handbook, we remind you that there should be no cell phones or electronic devices brought to camp. This also carries over to our weekly field trips. For reasons of safety and chances of loss or theft, we require that these devices be left at home.

We also want to remind campers NOT to bring any personal toys or items to camp. They become a distraction, not only to the camper but to those around them as well. As stated in the handbook, we are not responsible for any lost or stolen items.

Trip Registrations

Each week in the newsletter we will post the destination, cost, and departure time of the next week's upcoming trips. Sign-ups begin the Friday before and you must register online. Some of our trips are number sensitive so we will not take sign-ups on the day of the trips. There are different payment options, but registration is the first and most important part of this process. You may only register a week in advance for a trip, we do not accept a blanket registration for the summer. Please make sure you register for the correct trip, with the correct POD color your child is in.

Also on trip day, please note the departure time of the trip, we will not wait as our arrival at each trip location is time sensitive. Your child must wear their camp t-shirt (2025 version). This is for their safety and this is not an option. Your child's shirt remains on the camper at all time on the trips, even in the water so that we may find them at a moments notice. No shirt, no trip. We do not have extras for sale or for rent on a trip. Again, this is for your child's safety and we will hold firm on this policy!!!

If your child has any issues with car or motion sickness, please give us a heads up so that we may have them sit in the front of the bus to help ease this issue. In the event we go to a water park please let us know if your child is not a strong swimmer. We will make sure that they have a float device from either the park itself or one we bring from the Rec. Dept. We ask that you communicate anything that can help make their experience better.

Make sure your child has all the necessary items for each particular trip; swimsuit, sun screen, and towel for water trips. Also an extra dry shirt for the ride home.

Home lunch or money for lunch on every trip. Labeled lunch boxes and water bottles.

The amount of money a child should bring is up to you, however, keep this in mind. There is no need for money other than the purchase of the child's own lunch. We have a camp policy to avoid gift shops at all parks we attend. So there is no need to send money for that.

SUMMER DAY CAMP 2025 TRIP SCHEDULE

****Campers will find out which color pod they are in on the first day of Camp****
