TRIP INFORMATION

On trip days, please follow our signs on which lane you need to be in for drop-off. Please make sure your child has their camp t-shirt and any other necessary items, a water bottle, a lunch, a bathing suit, a towel if it's a water trip, and money if your child is buying lunch there (please note some places are cashless).

When we return to trips, we dismiss campers from the playground. Please allow staff to walk your child to you, and please stay in your car. We also ask you to line up with the rest of the cars instead of parking, getting out, and getting your child. This is for your safety and for your children's safety.
