

CONWAY PARKS AND RECREATION DEPARTMENT SUMMER PROGRAM NEWSLETTER

WEEK 5 – JULY 20TH TO JULY 24TH

HAPPY FRIDAY!

We're at the halfway mark already! This week was an absolute blast, with the field trips we took and the fun activities here on site! We started the week with Carnival Day, which was SO FUN, from our cookout to snow cones, dunk tank, and all the fun games we had; the day was a huge success! The littles celebrated Christmas in July at Santa's Village, the middles had a perfect day at Whales Tale, and the olders had a blast at Aquaboggan until the weather won. This coming week we have more fun trips planned! We will also be doing tie-dye during the week, and the kids will be wearing them on Friday! We are doing tie-dye a little differently this year, so please read below:

This summer, we will be providing t-shirts for tie-dye and will be charging \$5 for them. Please pay cash on Monday or a check made out to the Friends of Conway Rec!

IMPORTANT REMINDERS!

- On trip days, please arrive by 8:45 am, as we start making our way to the buses then.
- Please stay in your car during dismissal.
- Behavior problems are continuing, so please remind your child to model good behavior. We will take trips away if bad behavior continues.
