WINTER PROGRAM

WEEK 8

NEWSLETTER

Jan. 13th, 2023

This past week the Intramural Basketball programs got underway with the organization of teams and the first day of practice for each group. Our Girls 4-6 Grade teams opened practice on Monday. The three teams this year will be the Northeast Autobody Huskies, the Kevin's Auto Lady Volunteers and the Progressive Auto Aggies. The Boys 4-6 grade practice tipped off on Wednesday and those three teams are the Johnson's Tire Tar Heels, the Frechette Tire Spartans and the Albany Service Center Cardinals. Our new names are based on current college teams. Our sponsor for the basketball programs this Winter is the Napa Autocare Group. Each individual business will a team of it's own to support. Rounding out the week, the 2-3 grade Coed program started on Tuesday with all four teams taking the floor. Those teams are the Black Bears, the Wildcats, the Catamounts and the Minutemen.

Session two of the Bidy Basketball program will start on Saturday, Jan 14th and go until Saturday, Feb. 18th. This is a five week program but due to a scheduling conflict we will not have Bidy Basketball on Saturday, Feb. 11th. So the final day will be the following Saturday, Feb. 18th.

The Conway Parks & Recreation Department will continue to run a Rec. bus from Pine Tree School each day that we have a program. We also will walk the kids from Conway Elementary over each day as well. If your child is scheduled to play the later time on any day, they may still ride the Rec. bus or walk over after school. However, they will be expected to remain in the gym until their scheduled time arrives.

Philosophy of Rec. Basketball

Although we are playing games and keeping score, it is the intent of the Rec. Dept. to make this experience as fun as possible. Remember, positive and supportive comments are expected from our fans. We thank you in advance!!!

Gym Rules for the Winter

Parents, this is a reminder that with Winter comes wet conditions and those conditions get tracked into the building. Please help us by making sure your child has a different pair of shoes for use on the court. They will not be allowed to participate in boots, they can bring their sneakers to change into.

Notes and Updates

This past week we had a few issues with our Emails that were sent to each family account.

Some of you were not receiving these emails so we have gone back into these accounts and we believe we have solved the problem. But as a back up, we post our schedule every day on the Conway Parks & Recreation Department Facebook page. Also on our Conway Rec. Website we have a calendar for the month. Last week each player was given a hard copy of the team assignments, schedule and the rules for his or her team. We will also have additional hard copies in the office along with copies of this newsletter on hand.

Due to the cancellation of the Girls 4-6 practice on Thursday, Jan 12th and the fact there is no practice on Monday, Jan 16th, the girls will have another practice this Thursday, Jan 19th instead of their first game. The following week the schedule will pick up on Monday the 23rd and the games will be played as listed.
