

WINTER PROGRAM NEWSLETTER #1

December 1st 2023

#RECandROLL

We have reached that time of year again... Winter is here!!!!!! The Conway Parks and Recreation Department is happy to say that our Winter programs are underway and we are ready for a great fun filled season! As you can see, the newsletter has started up again and will continue throughout the next few months. We will have program updates, changes, special events, registration deadlines as well as weekly schedules and results of all programs in this newsletter. The Winter programs that are currently running are our 4th grade girls and boys intramural basketball program along with our grade 5-6 boys and girls basketball program. These teams are currently practicing and will be starting games in mid-December. At this time we do have registrations open for our Co-ed 2-3 basketball and our K-1 Biddy Basketball programs that will start after the new year. The deadline for those two programs is Friday, Dec. 22nd.

We are very excited about being able to bring back our travel team basketball programs for both 5-6 grade boys and girls. This will allow our athletes to compete against other towns in and around Carroll County. Try-outs for the two teams will be on Wednesday, Dec. 13th. The games will be in January and February. This program is above and beyond our intramural program but to be eligible to try out you must be a participant in the current recreation program. Please look over the following pages carefully as we hope the information can answer all your questions.

ATTENTION PARENTS!!!

Please note the following change in the Conway Parks & Recreation Department's Grade 2-3 co-ed basketball program. Due to gym space and availability and also the number of programs being offered, the Gr. 2-3 co-ed basketball program is being moved from Tuesdays to Wednesdays!!! The original starting date was Tuesday, Jan. 2nd. Please disregard this date and take note the new starting date is Wednesday, Jan. 3rd and the program will run for seven consecutive weeks and end on Wednesday, Feb. 14th.

We are sorry for and inconvenience this might cause. If for any reason your child cannot move to the Wednesday schedule, please contact us at the Rec. and we can credit your account for another program.

On the other hand, this may allow anybody who could not have played on Tuesday's to be able to register for the Wednesday program.

Again we will apologize for any issues this may cause but it is the only viable solution we could make.

You may still register for this program as the deadline is December, 22nd. The cost is \$21.00.

Sandwich programs come to an end!

This past month the Conway Parks and Recreation Department ran two month long programs to fill the between season down time. The K-1 Bowling and the 3-6 Arts and Crafts Club were a big hit. If you missed out look for us again after the winter season as we move into our “Mud Season” programs.
