Winter Housekeeping Info

Parents, now that the winter weather is here we are going to ask that you please help us in keeping our gym as clean and clutter free as possible. Due to the salt and sand that gets tracked in we are asking that your child wear a second pair of shoes or boots into the building, not the shoes they will be wearing for basketball. They will not be allowed onto the floor until those sneakers are dry. That gets ground in very quickly, not to mention, the floor is slippery when wet. We hope you can help us in this matter.

You have all ready seen in the first couple of pages that we are having mandatory parent meetings for all our basketball programs. This is to inform you of the goals and expectations of the staff, players, coaches and fans of the Conway Parks and Recreation Department. We want this experience to be great for all and you can't be expected to follow these guidelines unless they are given to you.

PLEASE ATTEND!

The 4-6 grade programs participate with the Fryeburg Recreation Department in forming the intramural program. That means that on occasion your child may have a game in Fryeburg at their gym. It is important that your child attend for the teams sake. So, if you have an issue on a particular evening with transportation, lets try and work out a way to get your child there instead of just not showing up. We are more than happy to help. We also ask that you arrive at least 20 minutes prior to the schedule game time for proper warm-up and team numbers.

The Rec. Dept. would like to thank you in advance for all your help in these matters. All these little things add up and they make a big difference in the end.

Heads up for the future, near the end of January we will be having try-outs for our 4-6 grade Carroll County basketball teams. Both the girls and boys will be able to go through the try-out event and the team will be selected based on their score in eight different categories. More information to come as we get closer.
