

CONWAY REC

WELCOME HOME

The Biddy Ballers hit the floor running last Saturday and the fans saw some spirited play for sure. The first day of games was a big success and this Saturday should be no different, as the action continues at 9:15 am and 10:15 am.

The 2-3 grade Co-ed program will be taking a break this week as we will not have games on Monday due to the Holiday. The action will pick back up on the 26th of January. Kansas and Oklahoma both secured wins this past Monday. The early season standings are as follows, Oklahoma has 2 wins and a tie, Kansas has 1 win and 1 loss and TCU has 2 losses and a tie.

The action in the Boys and Girls 4-6 grade Intramural program just completed it's second week of games and the teams have shown great improvement in just one weeks time. The games next week will swap venues as the Boys will have games at the Fryeburg Rec. complex and the Girls will take over the Marshall Gymnasium for the night.

A quick heads up about this years Carroll County Basketball tournaments. Both the Girls and Boys (4th-6th grade) tournaments will take place on Friday and Saturday, February 13th and 14th here in Conway. We will be organizing the teams for this event on Tuesday, January 27th for the girls and Wednesday, January 28th for the boys. This is above and beyond our regular 4-6 Intramural program but it is a big part of Conway Rec. These teams will have a couple of additional practices prior to the tournament dates. There is no cost for this team but you do need to commit to the dates of the event.

#RECandROLL

Grade 4-6 Basketball games in Fryeburg!!

This is a reminder to all parents that the Conway Parks and Recreation Department does NOT provide transportation to the intramural games when they are played in Fryeburg. That means your child does not come to the Rec. after school to wait for their game time on Thursdays if their game is in Fryeburg. If you have an issue with transportation, please take the time to work out a solution prior to that day. A note to six graders as well, on game days (Thursdays) you do not come to the Rec. after school as your game times are later on those days.

No matter which location you play at.

Winter Housekeeping Info

Parents, now that the winter weather is here we are going to ask that you please help us in keeping our gym as clean and clutter free as possible. Due to the salt and sand that gets tracked in we are asking that your child wear a second pair of shoes or boots into the building, not the shoes they will be wearing for basketball. They will not be allowed onto the floor until those sneakers are dry. That gets ground in very quickly, not to mention, the floor is slippery when wet. We hope you can help us in this matter.

The 4-6 grade programs participate with the Fryeburg Recreation Department in forming the intramural program. That means that on occasion your child may have a game in Fryeburg at their gym. It is important that your child attend for the teams sake. So, if you have an issue on a particular evening with transportation, lets try and work out a way to get your child there instead of just not showing up. We also ask that you arrive at least 20 minutes prior to the schedule game time for proper warm-up and team numbers.

The Rec. Dept. would like to thank you in advance for all your help in these matters. All these little things add up and they make a big difference in the end.

Heads up for the future, near the end of January we will be having try-outs for our 4-6 Grade Carroll County basketball teams. Both the girls and boys will be able to go through the try-out event and the team will be selected based on their score in eight different categories. More information to come as we get closer.
