WINTER PROGRAM NEWSLETTER #4

Dec. 27th 2024

With vacation half over we remind you again about our upcoming schedule for the week, the return to the ongoing programs and the addition of another round of Bidy Basketball!

Once the New Year is upon us we will be back in action with the Girls Intramural basketball practice on Thursday, Jan. 2nd. The following Tuesday, (Jan. 7th) the Intramural games will begin for both the Boys and Girls. Check your schedules for those time and locations. Remember, the games are on Tuesday nights and the practices are Wednesdays for Boys and Thursdays for Girls.

The Grade 2-3 Co-ed program will enter it's third week of games when they get back in action on Monday, Jan 6th. The level of fun in these games has been at an all-time high.

Saturday, the 4th of January will see the season tip-off of the Intramural league with a Skills and Drills competition at the Fryeburg Recreation Department. This will begin at 9:30 a.m. and will last about 90 minutes. We will have pizza for all those in who participate and some prizes for the top performers.

Don't forget to register for the second session of Bidy Basketball starting on Jan. 11th. In this session we are adding game play to the mix. THAT WILL BE EXCITING!!!!

Things to remember!!!

Parents, please take note that when your child has a practice or game here at the Rec. Dept. you must pick them up from the gym. We do not allow the kids to wait outside on their own to be picked up. This is for their safety and yours. They are supervised in the gym. It is dark and cold at that time of the evening.

Weather may play a factor in the days events. We will make our decisions on program cancelation by 1:00 p.m. on the day of the practice or game. We will send a text blast and post these notices on our social media sites.

Intramural Basketball Skills and Drills Competition!!

Attention all Boys and Girls Intramural basketball players in grades 4-6! This is an open invitation to a combined season tip-off event between the Fryeburg Recreation Department and The Conway Parks and Recreation Department. This event will be held on Saturday, January 4th at the Fryeburg Recreation building at 9:30 a.m.

The intent of this friendly event is to have all our intramural basketball players participate in a number of skills and drills activities in an individual competition. There will be a boys and girls division. It will also be broken down by grade level so the events are balanced.

Participants will be involved in three basic categories that include dribbling, passing and shooting. Each discipline will have two events to be ranked in. There will be a dribble obstacle course and a blaze pod agility test. Passing will include a wall pass and a moving pass drill. Finally, the shooting portion will consist of a hot-shot game and a continuous lay-up drill. Players will rotate through all these events and have their results totaled for the morning. The top three in each group will receive a prize and everyone who participates will be rewarded with a pizza party at the end.

This event will run from 9:30 a.m. until 11:30 a.m. As was stated before, pizza will be provided for all players. While we can't make this mandatory, it is strongly recommended that your child participate for the benefit of mixing with the players that will be in the intramural league this year.

Players will wear their game jerseys to this event to promote their teams for the season. Due to the ordering of the food and prizes we do as that you take the time to register on-line at (WWW.conwaynhrec.gov) so that we may have a head count. **THERE IS NO COST TO THIS EVENT.**

The intent of this event is to promote the sportsmanship and positive attitude that we discussed at the parent meeting to begin our season. Don't delay, sign-up today!!

Deadline is Thursday, Jan. 2nd for registration.
