WINTER PROGRAM

NEWSLETTER #7

Jan. 17th 2025

As we enter week #7 of the Winter season, let's keep our fingers crossed that the weather will remain cooperative so that we don't have any postponements. This Saturday, the 18th of Feb. marks the second week of Bidy Basketball games. Week one was a huge success and all those involved had a great experience! Thank you again to our Saturday morning helpers who make this program a success.

There will be no Co-ed grade 2-3 games this Monday as we observe Civil Rights day. The Rec. will be closed on that day. The action will pick back up on the following Monday as we head into the final two weeks of play.

Grade 4-6 Intramural Boys and Girls basketball games will continue with week three action on Tuesday night, the 21st. We have seen some great competition here as well. There was vast improvement from week one and if we continue to improve at this pace it will be a very successful season for all involved. You can check the standings on page three of this newsletter. Due to the lack of sign-ups for Travel Team try-outs, we have decided to form these teams by invite. Those who decided to participate will receive a schedule of events next week. The Carroll County Tournament will take place of Saturday, Feb 15th here at the Rec. Dept. Both the girls and boys teams will play that day. Times to be determined.

ATTENTION PARENTS!!!!!!

Parents, please take note that when your child has a practice or game here at the Rec. Dept. you must pick them up from the gym. We do not allow the kids to wait outside on their own to be picked up. This is for their safety and yours. They are supervised in the gym. It is dark and cold at that time of the evening.

THANK YOU!!!

Travel Team Basketball Information

As stated earlier in the newsletter, we did not have enough interest in both the boys and girls travel team program to have try-outs. With that being said, we will select a group that will participate in the Carroll County tournament on Saturday, Feb. 15th. There will be a couple of practice games the week prior to this event.

The schedule for these events will be hand delivered to each participant in the next few weeks. These games will have no effect on our current Intramural program whatsoever.

Intramural Standings
