

PARADE PERMIT APPLICATION

A parade permit is required for all activities not normally allowed on a state-maintained highway. (i.e. parades, street fairs, foot races, etc.)

A plan showing the parade route from start to finish, routes of travel, detours and parking areas (if provided) must accompany the application.

As with the previous Permits, the Parade Permit form is to be completely filled including the appropriate signatures. It is suggested that that application be submitted at least one month prior to the event. It is further suggested that the application for all anticipated events for the season be submitted at one time.

It is hoped that this information will be assistance. Should questions remain pertaining to the above or should you wish to met and discuss specific issues related to the above items, please feel free to contact this office.

Thank you for your help and cooperation. It is important that we work together to achieve the safest possible highway system for all to enjoy.
