

2021 Conway Parks & Recreation Department

CONWAY REC

WELCOME HOME

SPRING PROGRAM GUIDELINES

Dear Conway Rec Families,

Please find in this document our 2021, spring program Covid-19 guidelines. We appreciate your continued support in following this guidance. Your cooperation has made it possible for us to safely offer in person programming for the past 11 months.

As we have done since this pandemic started, we will continue to monitor guidance from the State of New Hampshire throughout the spring season. We reserve the right to change/alter guidance as new information and guidance become available.

We have designed all programs to limit exposure amongst participants as well as family members who choose to attend and watch. We ask that participants and family members follow these guidelines as well. We were not able to allow spectators into the Conway Rec for winter programs. We are happy to announce that as of now, there is no limit as to how many family members can attend practices/games this spring. With that said we ask that you only conjugate and watch practices/games with members of your immediate family.

Please respect all quarantines put in place by the local schools or your work place. If you have questions about a quarantine please do not hesitate to reach out to our office. Our office is committed to offer safe and fun in person programs.

In the past we have been able to loan out certain pieces of equipment to participants. While we still can do this, our overall supply has been dipped into over the past year. We recommend that all t-ball, rookie softball and softball players have their own glove. Rookie softball and softball players should have their own helmet. If you need help locating any of these pieces of equipment please reach out to our office.

Thank you again for your continued support of Conway Recreation Department programs.

Respectfully,

Michael Lane

Assistant Director

Town of Conway

K – 1st Grade T-Ball

Thank you for choosing to have your child participate in the Conway Parks and Recreation Department K – 1st Grade T-Ball Program for the 2021 season. We are thrilled to be offering in person programming once again. In order to keep your child safe, we will be following the Covid-19 reopening guidance from the Governor’s Economic Reopening Taskforce, Safer at Home Amateur & Youth Sports (updated March 24th, 2021). You can find a link to the entire document below.

<https://www.covidguidance.nh.gov/sites/g/files/ehbemt381/files/inline-documents/2020-05/guidance-amateur-youth-sports.pdf>

Arrival: Participants should arrive 5 minutes prior to their scheduled time. If you arrive earlier than this, please wait in your vehicle until your designated time. The program will take place behind Conway Elementary on the baseball diamond. Please only use the parking lot behind Conway Elementary School (DO NOT USE THE CHARTER SCHOOL PARKING LOT). There will be a table set up for screening each day. Similar to the schools screening process, we will supply all participants with “Self-Screening Slips”. Please fill out your slip and take your child’s temperature before arrival. Did you forget a slip? No worries, we will have extras at the screening table.

All participants must wear a mask/face covering at all times while participating in a program at the Conway Rec. Please note all parents who are unable to social distance while watching are required to wear a mask/face covering.

Participation: Equipment used will be sanitized frequently. At the end of each session all equipment borrowed must be returned and will be fully sanitized by Recreation staff. There will be multiple hand sanitizing stations, however we do recommend each participant has their own as well.

Participants should bring their own water bottle filled, we will not be supplying water.

Each session is designed to have small team numbers to limit exposure. Coaches are full/part time staff and will go through the same screening process as participants each week.

Conclusion: At the conclusion of each session, we ask that you depart the premises immediately. This will help to control crowds and to keep participants from different groups from having contact as well as give our staff time to sanitize equipment.

We ask that you DO NOT use the Conway Elementary Playground. Thank you in advance for following all the above rules and guidelines. Your child’s safety is our number one priority. We look forward to seeing everyone this spring!

Rookie Softball (2nd & 3rd Grade)

Thank you for choosing to have your child participate in the Conway Parks and Recreation Department Rookie Softball Program for the 2021 season. We are thrilled to be offering in person programming once again. In order to keep your child safe, we will be following the Covid-19 reopening guidance from the Governor's Economic Reopening Taskforce, Safer at Home Amateur & Youth Sports (updated March 24th, 2021). You can find a link to the entire document below.

Arrival: Participants should arrive 5 minutes prior to their scheduled practice time and 20 minutes prior to scheduled game time. If you arrive early, please wait in your vehicle until your designated time. The Softball Diamond located behind Conway Elementary will be recognized as the teams "Home" field. Please only use the parking lot behind Conway Elementary School (DO NOT USE THE CHARTER SCHOOL PARKING LOT).

Similar to the schools screening process, we will supply all participants with "Self-Screening Slips". Please fill out your slip and take your child's temperature before arrival. Did you forget a slip? No worries, Coaches will have extra slips for you!

All participants must wear a mask/face covering at all times while participating in the rookie softball program at the Conway Rec. Please note all parents who are unable to social distance while watching are required to wear a mask/face covering.

Participation: Equipment used will be sanitized frequently. At the end of each session all equipment borrowed or used must be returned and will be fully sanitized by Recreation staff. There will be multiple hand sanitizing stations, however we do recommend each participant has their own as well.

Participants should bring their own water bottle filled, we will not be supplying water.

Both coaches and full-time staff at the Conway Rec and will go through the same screening process as participants each session.

Conclusion: At the conclusion of each practice or game, we ask that you depart the premises immediately. This will help to control crowds and to keep participants from different groups from having contact as well as give our staff time to sanitize equipment.

We ask that you DO NOT use the Conway Elementary Playground. Thank you in advance for following all the above rules and guidelines. Your child's safety is our number one priority. We look forward to seeing everyone this spring!

Girl's Softball (4th – 6th Grade)

Thank you for choosing to have your child participate in the Conway Parks and Recreation Department Girls Softball Program for the 2021 season. We are thrilled to be offering in person programming once again. In order to keep your child safe, we will be following the Covid-19 reopening guidance from the Governor's Economic Reopening Taskforce, Safer at Home Amateur & Youth Sports (updated March 24th, 2021). You can find a link to the entire document below.
