## 2021 Softball Tournament Rules

Games will consist of 3 Innings

\*No new inning will start after 40 minutes.

\*Drop dead time at 60 minutes (If this occurs the game will refer back to the score at the end of the last full inning).

\*4 Run limit per inning (this includes the 3<sup>rd</sup> inning).

\*If game is tied, a runner will be placed at second base to start the next inning following USA Softball international rules.

Game time limits will be strictly enforced; therefore, coaches are encouraged to keep players in the same positions for the entirety of games to help keep the pace of play moving. Please remember pitchers are allowed 1 minute or 3 pitches between innings.

It has been a fantastic year of softball and we at the Conway Rec have been thrilled to be able to return to the softball diamond this year. We hope this tournament is a great wrap-up to the 2021 season. While enjoying this final event before we turn to summer programs, please remember.....
