CONWAY REC

WELCOME HOME

FALL PROGRAM GUIDELINES

***Created September 9th, 2021**

Dear Conway Rec Families,

Please find in this document our 2021, fall program Covid-19 guidelines. We appreciate your continued support in following this guidance. Your cooperation has made it possible for us to safely offer in person programming for the past 18 months.

As we have done since this pandemic started, we will continue to monitor guidance from the State of New Hampshire throughout the fall season. We reserve the right to change/alter guidance as new information and guidance becomes available.

We have designed all programs to limit exposure amongst participants as well as family members who choose to attend and watch. We ask that participants and family members follow these guidelines as well. We are happy to announce there is no limit as to how many family members can attend practices/games this fall. With that said we ask that you only conjugate and watch practices/games with members of your immediate family.

Please respect all quarantines put in place by the local schools or your work place. If you have questions about a quarantine please do not hesitate to reach out to our office. Our office is committed to offer safe and fun in person programs.

In the past, we have been able to loan out certain pieces of equipment to participants. While we still can do this, our overall supply has been dipped into over the past year. We recommend that all soccer players in the 3rd-6th grade program have their own shin pads. Field Hockey players should have their own shin pads and goggles. If you need help locating any of these pieces of equipment please reach out to our office.

Thank you again for your continued support of Conway Recreation Department programs.

Respectfully,

Conway Parks and Recreation Staff

Fall Programs

Thank you for choosing to have your child participate in the Conway Parks and Recreation Department Fall Programs for the 2021 season. We are thrilled to be offering in person programming once again. In order to keep your child safe, we will be following the State of New Hampshire, Governor's Economic Reopening Taskforce Universal Best Practices (Updated April 29th, 2021). You can find a link to the entire document below.

<https://www.covidguidance.nh.gov/sites/g/files/ehbemt381/files/inline-documents/sonh/universal-best-practices.pdf>

Arrival: Participants should arrive 5 minutes prior to their scheduled practice time. If you arrive earlier than this, please wait in your vehicle until your designated time. If arriving for a game please follow coaches' instructions. The program will take place behind Conway Elementary on the grass area field. Please only use the parking lot behind Conway Elementary School (DO NOT USE THE CHARTER SCHOOL PARKING LOT). **Parents/Guardians are asked to self-screen their child at home prior to each game/practice.**

Mask/Face Coverings: Mask/face coverings are optional and a parent's choice.

Participation: Equipment used will be sanitized frequently. At the end of each session all equipment borrowed must be returned and will be fully sanitized by Recreation staff. There will be multiple hand sanitizing stations, however we do recommend each participant has their own as well.

Participants should bring their own water bottle filled. We will not be supplying water.

Each session is designed to have small team numbers/small area games to limit exposure. Coaches are full/part time staff and will go through the same screening process as participants each week.

Rec Bus: We are thrilled to announce we will once again be offering a rec bus from Pine Tree Elementary School and will pick up children from Conway Elementary School. Please note, following Federal Guidelines, children traveling on the rec bus from Pine Tree School are required to wear a mask/face covering while on the bus. Participants using the rec bus service will also be required to sit in assigned seats.

**Only participants who have an activity immediately after school will be allowed to use these services.*

Conclusion: At the conclusion of each session, we ask that you depart the premises immediately. This will help to control crowds and to keep participants from different groups from having contact as well as give our staff time to sanitize equipment.

We ask that you DO NOT use the Conway Elementary Playground. Thank you in advance for following all the above rules and guidelines. Your child's safety is our number one priority. We look forward to seeing everyone this fall!

Conway Parks and Recreation Department

Biddy Soccer Schedule

Saturday September 11th	9:00-9:30 a.m.	Session 1
	9:45-10:15 a.m.	Session 2
